Education Plan

Chapter provides or co-sponsors at least 36 hours of CPE annually. Offer networking and/or social time with at least half of these CPE opportunities.

- Utilize the annual Member Survey to foster ideas and topics.
- Chapter selects education event topics from the wide variety of eligible topics, including emerging technologies.
- Work with the Community Service Director to incorporate networking opportunities with educational events.
- Chapter publishes the annual education event calendar via the Chapter's various communication channels, which includes both active members as well as our non-member list. Post the events on the website calendar.

Chapter meets or exceed meeting average attendance from the prior year.

- Actively promote all education events through the Chapter's various communication channels and National website (excluding National webinars and events).

Chapter meets or exceeds meeting satisfaction goal of 85% through survey(s) of attendees.
