Professional Certification Plan

Provide support to CGFM candidates.

- Offer a study group for CGFM candidates as well as an annual information session.
- Publish tips on studying for the exams, CGFM articles, and the requirements for the CGFMs through the Chapter's various communication channels.
- Purchase updated study guides for our study guide lending program.
- Encourage CGFMs to renew their certification through the Chapter's various communication channels.

Provide support to the CGFM community and have at least 80% retention of CGFM individuals.

- Recognize CGFMs (new and current) through the Chapter's various communication channels and during at least one Chapter event.
- Request the Governor's Office and local government(s) to recognize March as CGFM month via proclamation.

Promote the value of the CGFM certification.

- Promote the value of the CGFM through the Chapter's various communication and at least one Chapter event. The communications will go to both our active members and our non-member lists.
