# Mid-Missouri Chapter

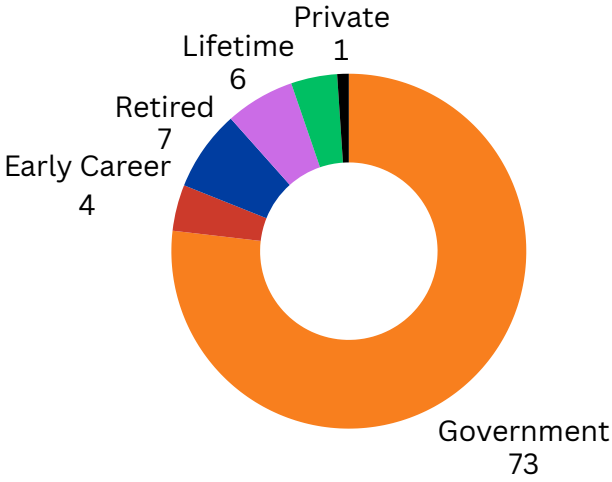

The Mid-Missouri Chapter was founded on July 11, 1973, by John Ashcroft. The Chapter board is comprised of 9 volunteers, who conduct monthly board meetings to conduct Chapter business on behalf of the Chapter.

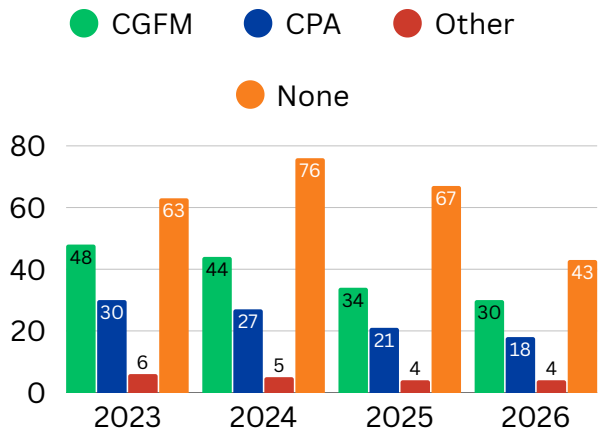

*Chapter Mission*: AGA is a professional association advancing accountability, transparency, and leadership by promoting education, certification, innovation and collaboration across all levels of government and to stakeholders.

*Chapter Vision*: To represent the premier association for advancing government accountability in our community

## Awards and Scholarships

The Chapter received the Bronze Award for Achievements in Chapter Excellence (ACE) and a Certificate of Excellence for the 2025 Citizen Centric Report (CCR).

$500 Scholarships were awarded to Max Van Leer, Brady Clark, and Charlie Fisher. Good luck this school year! We increased the number of scholarships to three this year to help encourage the accountability field pipeline in accordance to our Chapter plan.

| Program Year Performance Measures | Target | 2026 | 2025 | 2024 | 2023 |
|---|---|---|---|---|---|
| New Members | 20 | 13 | 16 | 23 | 13 |
| Change in Chapter CGFMs | 0 | (4) | (10) | (4) | (9) |
| CPE Credits Offered | 36 | 34 | 36 | 38 | 40 |
| Scholarships Awarded | 2 | 3 | 2 | 2 | 2 |
| Average Meeting Attendance | 25 | 12 | 15 | 7 | 9 |
| Average Training Attendance | 40 | 22 | 41 | 26 | 52 |

Over the last year, the Chapter saw a decrease in membership of 31 members or 25%. While retirement is related to some decline, the larger reason is lack of support by the major employer in the area. We are also seeing a dramatic drop in CGFMs of 4 members or 12%. The largest concern about our membership is the lack of interest to be on the board and attend education events. We had 89 members (71%) that did not participate in chapter activities last year.

### Revenues

### Expenditures

Program Year 2025-2026 revenue and expenditures dipped significantly. We conscientiously dropped our CPE offering goal to 36 given the number of free CPE offerings from the National organization. We see corresponding drops in both Education revenue and expenses due to lower CPE offerings along with the drop in attendance at our educational events. Chapter travel costs to attend the National PDT and website maintenance continue to be the other main Administrative cost.

The Mid-Missouri Chapter has internal control procedures in place to safeguard funds and provide efficient and effective management of assets. Our financial review is not completed as of the date of publication. The financial statements presented were reconciled and the complete financial report and review can be found at https://midmoaga.org/Financial_Reports.
